I have done 3 internships , 2 out of which have been in the field of research. First one was with DDDD INVESTMENTS, where I was an INVESTMENT BANKING INTERN and performed an IN-DEPTH QUANTITATIVE ANALYSIS on various financial aspects and worked on Financial Investment Algorithms.

I have also done Research Projects on India's Investment Policy Initiatives; Structural Reforms in South East Economies in Financial & Banking sector, and analyzed major learnings for India from those nations success.

Sir, I believe that I am a strong team player with good leadership skills, and am quite skilled at managing Diverse Teams in complex situations. My greatest strength though is my PERSISTENCE & MISSION Orientation, & sir, even in the most adverse of personal or professional challenges the one thing I believe is , that it is our DREAM, BELIEF & RESOLVE that can take us to greatest heights.
