

### **1.Name of the project**

Project decrypting crypto and workshop on Canva

### **2.Theme**

Community and economic development

### **3.Description**

Under the theme of Community and economic development we collaborated with Rotaract Club of GL Bajaj, where they conducted an informative session on crypto educating our audience about trading in crypto. The session was hosted by Mr Aditya Jaiswal who is the President at IAESTE INDIA CI SMU, financial trader and portfolio manager(stock and crypto). It was a very insightful session with 160+ people participated enthusiastically out of which 20 of our members volunteered in this engaging session.

Another collaboration we did was with Rotaract club of DOC, Delhi school of Economics RID 3012. It was a workshop on Canva by Ms. Surbhi Siwach, canva expert educating our audience about how to use Canva under which more than 150 people volunteered and participated enthusiastically.
