

During a live webinar presented by CEO DU, **Parth Chawla**, an Associate at BCG who had previously worked at EY Parthenon and also a graduate from SRCC, spoke about internships, guesstimates, and case resolution. The event was broadcasted online on 7th January 2023

Parth Chawla shared his areas of experience with the attendees of the event, which totaled 150 students, and assisted students in successfully answering the interview questions that they were given. He gave explanations and examples of the questions that were asked in interviews, as well as some insight into how to solve the problems that were presented immediately after interviews.

In addition to this, he discussed the significant function that internships play and offered advice on how to obtain a pre-placement offer while working as an intern.
