PRINCIPAL'S FOREWORD

Founded in 1987, Shaheed Sukhdev College of Business Studies, University of Delhi has a legacy of academic and professional excellence. It imparts knowledge in the fields of management, technology, and cyber security and law with an unparalleled understanding of industry norms and exposure. Accredited Grade "A+" by NAAC, it is 100% funded by the Government of NCT of Delhi and has a defining edge in the academic and industrial field.

The faculty, staff, students and alumni have actively worked in cohesion to create a conducive environment where every student develops roots of responsibility leading to holistic development. With focus on teaching, coaching and imparting life skills, this institution has played a crucial role in the career and personality of innumerable students who have brought laurels to the college, state and nation. The students, I believe have transformed from vulnerable minds to dynamic and strong individuals with the potential to further transform themselves into astute and pragmatic leaders of tomorrow.

Given the right opportunity, I firmly believe they can become one of the most treasured assets of any organisation. With this, it gives me immense pleasure to welcome our friends from the corporate world and industry to take part in this final stage of their transformation and invite you to our campus placements for the Batch of 2024. I also thank each one of you for the unflinching support and constant patronage that you have provided to SSCBS in the past. We look forward to experiencing the same synergy for the times to come!

DR. POONAM VERMA

PRINCIPAL

ABOUT SSCBS

Shaheed Sukhdev College of Business Studies (SSCBS) is a premier institution under the aegis of the University of Delhi, imparting path-breaking education in the fields of Management and Computer Science. The institution was established in August 1987 as College of Business Studies (CBS) by the Ministry of Human Resources. Since its inception, CBS has embedded its name amongst the most elite institutions of the country and has established itself as a leading undergraduate business school in India. The college has been awarded **Grade "A+"** by the National Assessment and Accreditation Council (NAAC) for playing a formative role in the growth of management education in India. CBS currently offers three courses at the undergraduate level and a Post Graduate diploma course in Cyber Security and Law. The Department of Management Studies offers Bachelor of Management Studies and Bachelor of Business Administration with Honors in Financial Investment Analysis. The Department of Sciences offers Bachelor of Science with Honors in Computer Sciences. For the **fourth time** in a row, the college was adjudged as the **best undergraduate college for management courses** in a survey conducted by India Today along with Marketing and Development Research Associates (MDRA).

INFRASTRUCTURE

SSCBS embraces one of the finest facilities for undergraduate and post graduate education in India. Situated at Rohini in Delhi, the college is spread across 5 acres and built over 7 floors. With its new 'State of the Art' infrastructure, the college provides excellent facilities of 24-hour CCTV surveillance, WiFi and elevators. SSCBS combines together the first-class features of air-conditioned rooms and hostels, Sport Area, Library, Underground Car Parking, and Cafeteria to lay out a conducive and invigorating learning environment. The 500 seater auditorium with multiple audio-visual halls and exclusive interview rooms add to the exceptional facilities that make SSCBS's campus one of the best in India.

COURSES OFFERED

Bachelor of Management Studies

The Bachelor of Management Studies (BMS) course aims to instill a student with industry oriented skills laying emphasis not only on the knowledge but also on all-round personality development of the students to equip them with the ability to find solutions for real-life business situations. This course focuses on various significant aspects of management including a vast array of subjects such as Business Research, Business Policy and Strategy, International Finance, Financial Modeling and Derivatives, Consumer Behavior and Distribution and Supply Chain Management.

BBA (Financial Investment Analysis)

The Bachelor of Business Administration (Financial Investment Analysis) course has been designed to assist the students in understanding the intricacies of the financial sector. Updated regularly to meet the demands of the dynamic industrial environment, the course introduces students to subjects like Financial Econometrics, Investment Analysis and Portfolio Management, Corporate Valuation, Taxation, Investment Banking, etc.

B.Sc. (H) Computer Science

The Bachelor of Science (Honours) in Computer Science exposes undergraduates to cutting-edge skills required in the IT Industry as well as managerial domains, such as Design and Analysis of Algorithms, Microprocessor, Artificial Intelligence, Software Engineering, Android Programming, Computer Graphics, and analytical subjects like Probability, Statistics, DBMS, Machine Learning, Data Mining, etc. This course has been curated to enhance students' core mathematical and analytical skills pertinent to the industry, and deploy them to practical scenarios in conjunction with programming languages like Python, C++, JAVA, etc.

Post Graduate Diploma in Cyber Security and Law

The Post Graduate Diploma in Cyber Security and Law (PGDCSL) introduces students to Computer Security, Networking Basics and Network Security, Cloud Fundamentals and Cloud Security. The course also focuses on Cyber Laws and Forensics, Information Hiding Techniques and Information Security Compliance Management.

PEDAGOGY

SSCBS believes in providing the best to its students. With its well experienced pedagogy, the college strives to provide knowledge to its students by following a practical approach and transforming them into the leaders of tomorrow.

Faculty: SSCBS faculty is comprised of one of the most skillful, experienced and diligent teaching bodies and the instructors are specially handpicked from the top institutions of India, including but not limited to IIM-A, IIM-C, FMS, ICAI for Management department and IIT Roorkee for Computer Science department. Many of them are associated with professional bodies like All India Management Association (AIMA) and Delhi Management Association (DMA). SSCBS faculty lays strong emphasis on the optimal balance between academia and practice to maximize study output and facilitate transition of students to the industry.

Class Discussions and Presentations: The college regularly holds engaging paper presentations, both inter-class and inter-college, to ensure holistic development, nurture critical thinking and enrich ingenuity. Class discussions are regularly held as an integral part of the course curriculum, to provide the students with a platform to address contemporary issues with innovative thinking.

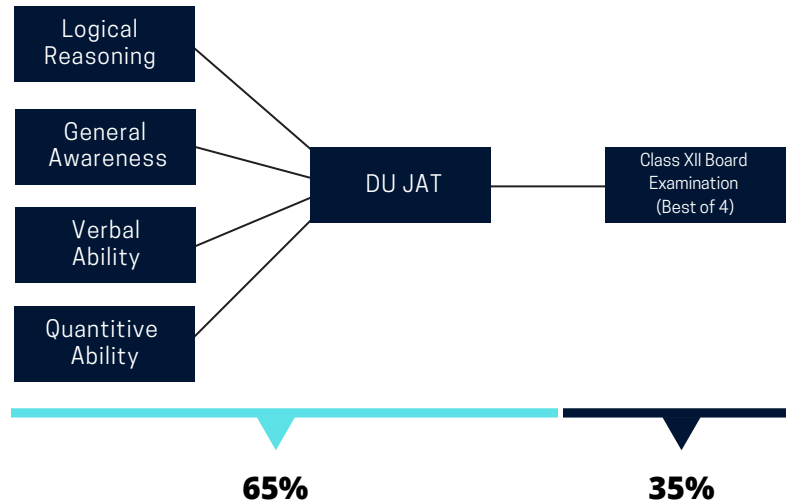

Case Methodology: The faculty follows a practical approach by utilising a blend of educative case studies of national and international relevance, presentations, group projects, research assignments to shape the viewpoint of the students and prepare them to work with people from diverse backgrounds.

Practical Thinking/Exposure: SSCBS also lays emphasis on putting the theoretical knowledge in use by incorporating Internships and Live Projects as a part of the curriculum. This helps the students to equip with the necessary soft skills which help them in taking their careers to the next level on the pillars of sheer merit.

SELECTION PROCEDURE

The phenomenal and undeniable edge of SSCBS comes from the admission procedure for BMS and BBA (FIA) courses which is different from the regular cut-offs based on Class XII results, as followed in other colleges of the University of Delhi. Selection criteria for prospective students consist of the following:

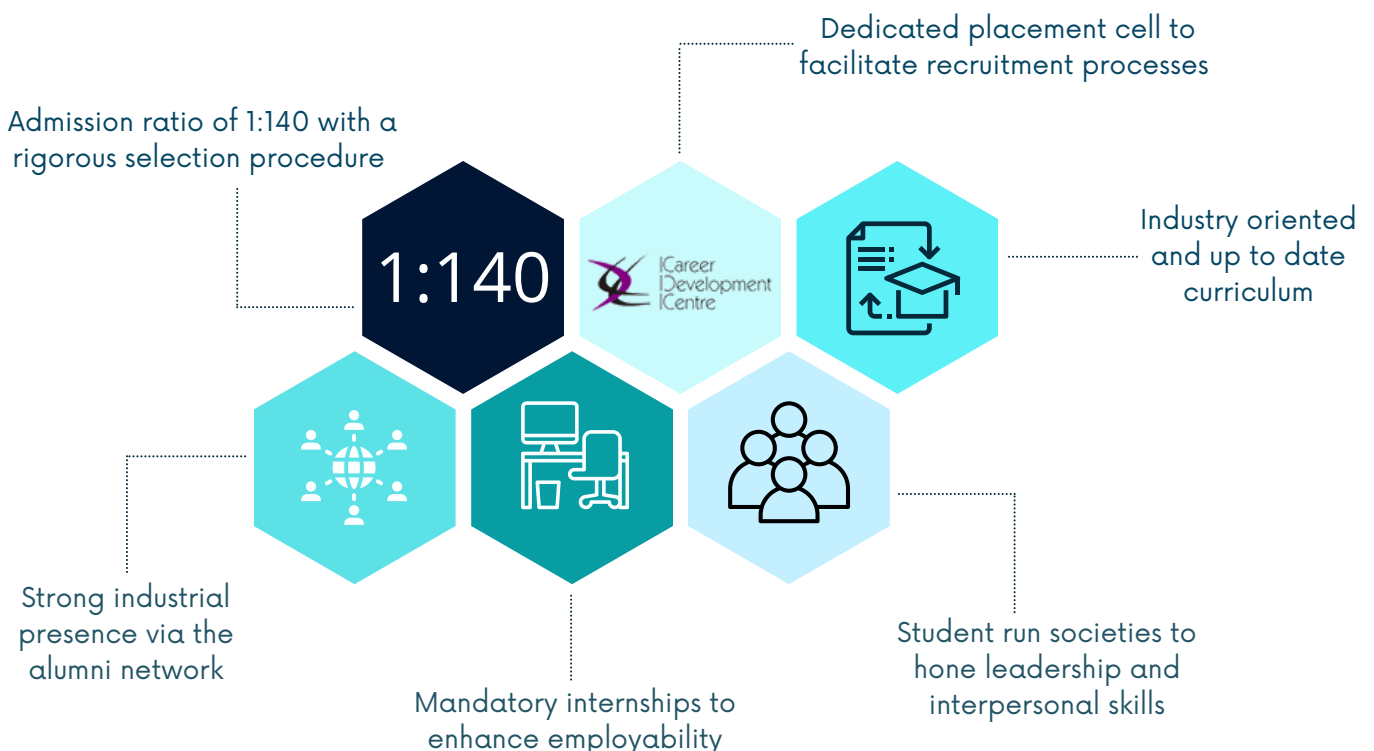

- An objective written test called Joint Admission Test (JAT), which includes questions on verbal ability, quantitative skills, logic, business knowledge, and current affairs (65%)**
- Marks scored in Class XII board examination including any one language and Mathematics (35%)**

The selection procedure for B.Sc. (H) Computer Science is solely based on the aggregate marks scored in Class XII in best 4 academic subjects inclusive of Mathematics and one language. The admission criteria involves high cut-offs.

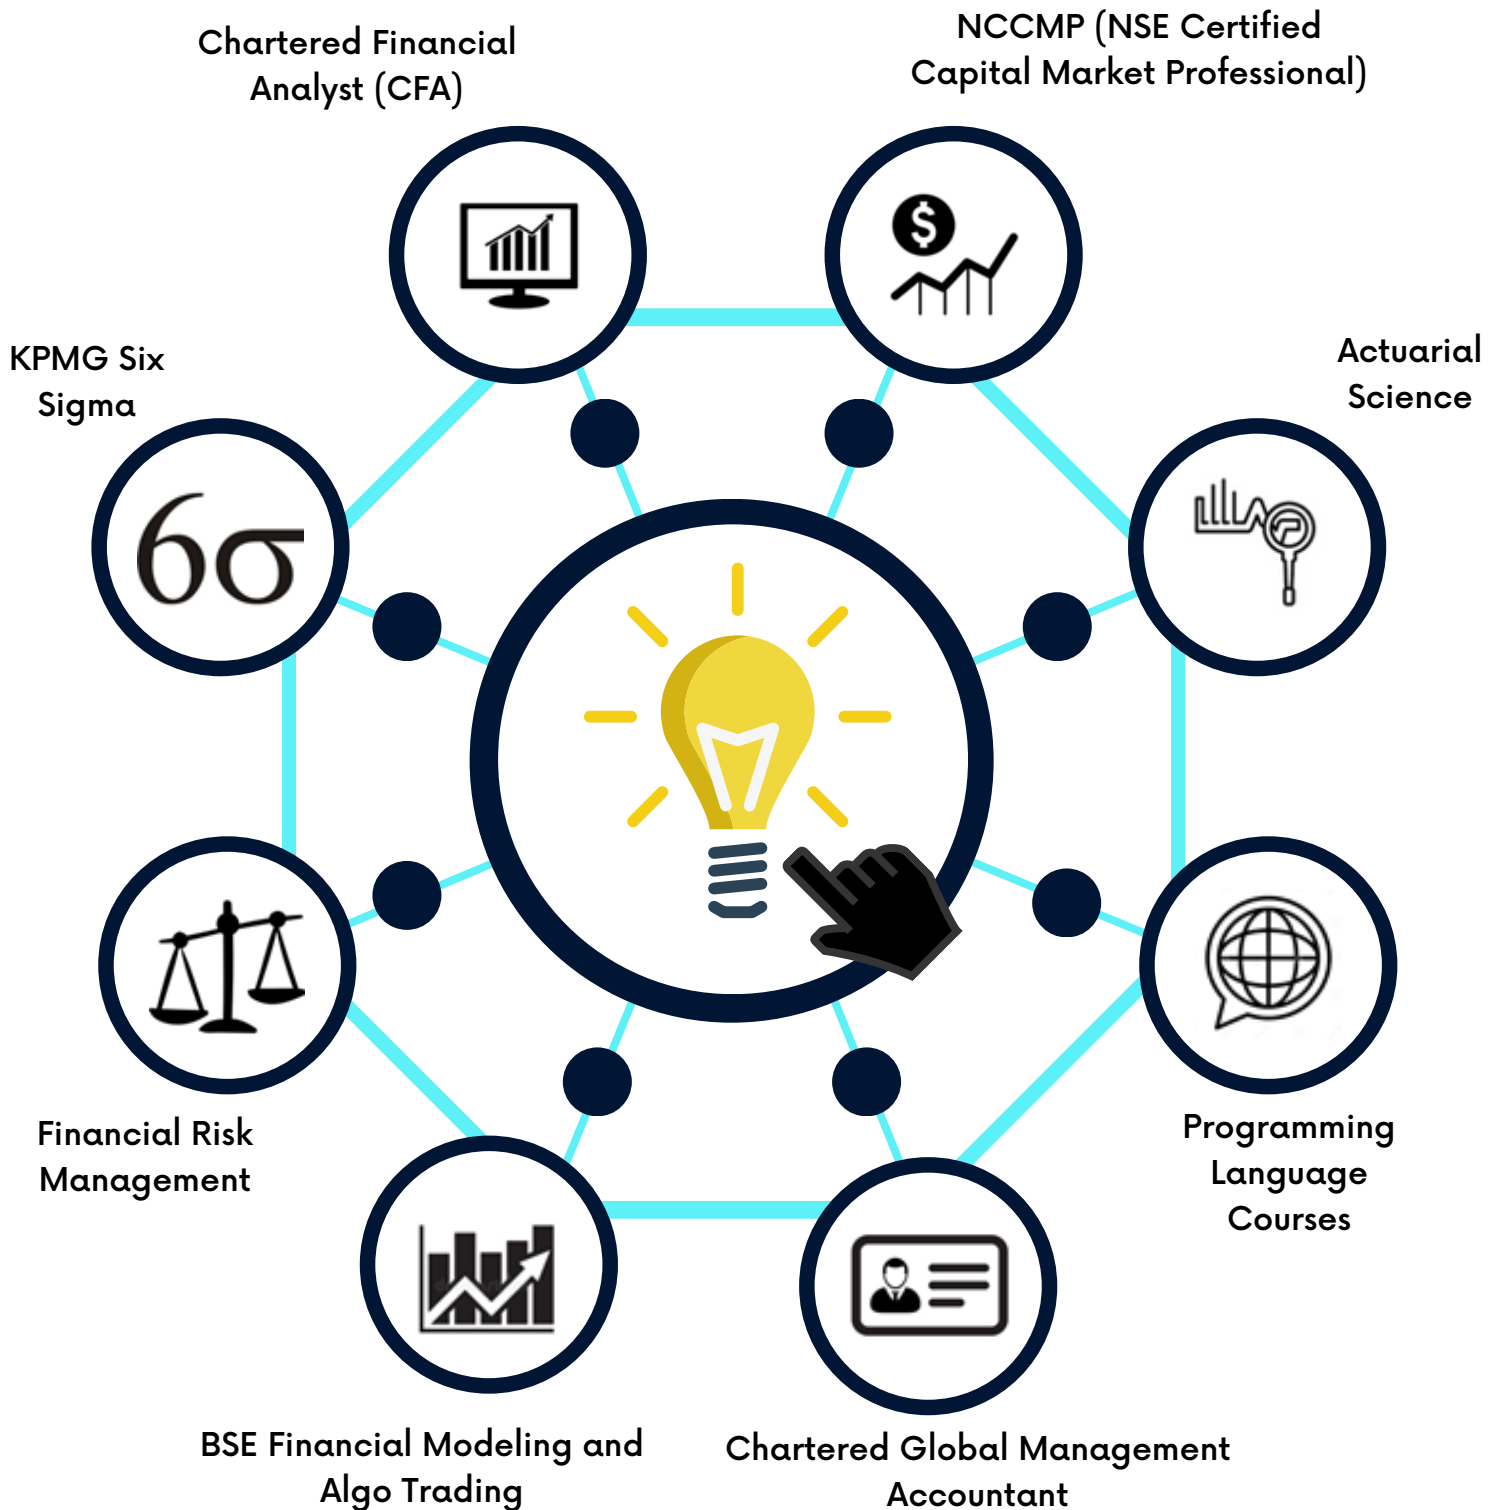

****From Class of 2025 onwards DU JAT has been replaced by Common University Entrance Test (CUET) as a Selection Procedure.**

WHY SSCBS?

ADDITIONAL COURSES

To enable free flow of ideas, exposure to new/upcoming research methodologies and techniques, and make broader problem sets available to our flourishing researchers, students acquire and hone their skills from some of the biggest names in the industry.

INTERNSHIPS

2022-23

The BMS, BBA (FIA), B.Sc. (H) Computer Science curriculum constitutes a component of industry exposure for students, which mandates penultimate year students to pursue a summer internship/training. Subsequently, students prepare internship reports that highlight learning experiences, research methodologies and tools used in their projects during the internship tenure. Over the years, students have undertaken internships in various domains like Consulting, Finance, Analytics, Marketing, Software Development, Research and Business Development at firms like FTI Consulting, D. E. Shaw Group, McKinsey Client Capabilities Network, FischerJordan, Deloitte, Dabur, Hewlett Packard, EY, Adani Group, S&P Global, Grant Thornton, Reliance, Zomato and Cushman & Wakefield to name a few. This is a testament to the fact that SSCBS houses some of the brightest talent in the country with the students continuously developing industry-relevant skills and gaining hands-on experience to stay amongst the top.

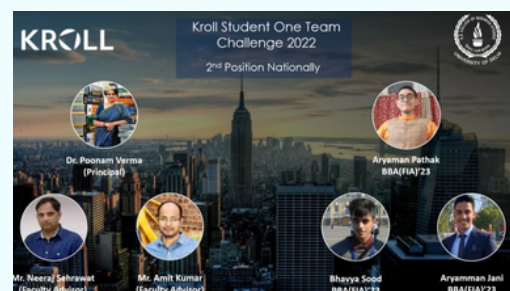

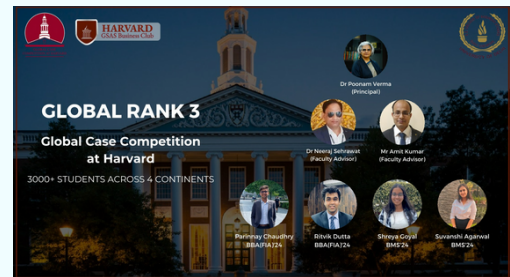

The final year students have pursued an internship in the above mentioned organisations. This does not imply that all such processes were conducted by the Placement Cell

ACHIEVEMENTS

The potential of the CBSites has been recognised by various national and international agencies at numerous instances. They have proved their mettle at the following events:

- National Winners, BrAINWARS 2023: Bain and Company Case Study Competition
- Global Winners, FMA International Body: Superior Chapter Accolade
- Global Rank 2, CRMS Risk Challenge
- Global Rank 3, Global Case Competition 2023, Harvard University
- Global Rank 1, EY-Microsoft Better Working World Data Challenge
- Global Rank 3, HSBC/HKU Asia Pacific Case Program 2022
- National Winners and Runners up in BrAINWARS 2022, Bain and Company Case Study Competition
- First and Second Runners up, High Bridge Global Case Competition 2022
- Indonesia Investment Banking Competition (IIBC): Global Winners 2022 and 2021, 2nd Runners Up 2022
- Global Microfinance Case Competition: Global Rank 2 and 4 - 2022, Rank 5 - 2021, Rank 6 - 2020
- National Runners Up, Kroll One Team Challenge India 2022
- Global Runners Up, SSER Finance Challenge 2021, Stockholm School of Economics
- National Runners Up, EY Corporate Finance Woman of the Year 2021
- Global rank 4, Global Impact Investing Case Competition 2021 (GIICC)
- Finalists, Enactus Nationals 2021
- Winner, Global Case Competition at Harvard 2020, Harvard University (Top 10 for 3 consecutive years)
- Global Rank 6, CBS Case Competition 2020, Copenhagen Business School
- Global Runners Up and Second Runners Up, Impactathon: Venture Capital Case Competition, UCLA
- International Runners Up, Global Investment Banking Valuation
- National Winner and International Rank 4, CFI Global FM Case Competition
- Enactus World Cup 2017, London-World Champion

Several achievements at national-level case study competitions, finance and management events at esteemed institutions like IIMs, IITs and other colleges of the Delhi University, as well as cultural and creative (dance, music, fine arts) competitions and sports events, demonstrate the students' versatility.

SOCIETIES AT SSCBS

Cultural Societies: The cultural societies of SSCBS are a perfect blend of creative, imaginative environment, that aim at promoting extra-curricular activities among the students and bringing out their innate talent amidst the bustling environment of the college.

Academic Societies: These societies aim to bridge the gap between theoretical knowledge and practical skills as they help students learn and absorb the financial, management and economic intricacies that prevail in the dynamic world today.

Social Service and Entrepreneurship Societies: These societies actively promote entrepreneurship and social service amongst the students and new age entrepreneurs to manifest their latent entrepreneurial spirit.

Equal Opportunity and Social Empowerment Societies: These societies aim at creating an inclusive and equitable environment where every student, staff, faculty and alumnus of different culture, region, sexual orientation and gender identity can feel comfortable while expressing themselves without feeling any social pressure.

Convergence, the flagship corporate interaction event of the college is an annual leadership summit that brings together leading corporate personalities who share their experiences and ideas to encourage the students to enhance their potential and demonstrate how the youth can contribute towards growth and development.

SIIF - The Incubation Centre, founded in 2016, SSCBS Innovation and Incubation Foundation (SIIF) was set up by SSCBS with support from the Government of NCT of Delhi. It is an independent corporate entity formed with an objective to provide a comprehensive and progressive platform to young entrepreneurs within SSCBS as well as other passionate individuals who wish to transform the world through entrepreneurship. Till now it has incubated more than 25 startups.

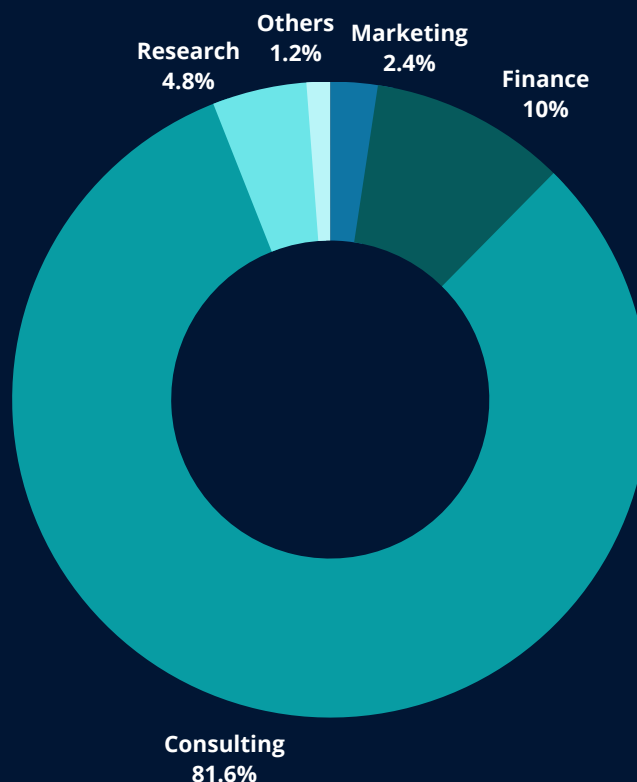

PLACEMENT SEASON

2022-23

DOMAIN WISE BREAK-UP

PROMINENT RECRUITERS

ALUMNI PLACEMENTS

The various accomplishments garnered by the institution are also the result of continuous efforts of our meritorious alumni who help in furthering the brand of our college. To assist them in their career paths, the placement cell also strives towards providing internship and placement opportunities to the alumni.

This Placement Season witnessed several companies connecting with us to recruit experienced candidates from SSCBS alumni. Some of the prominent alumni recruiters include Bain Capability Network, Zomato, Silver Piston, Grant Thornton, VMock, Oxane Partners, Synergy Consulting, Synaptic, Ultrahuman, Medulance, Square Panda, Arbolus among others.

Following the consummation of the Placement Season, the Placement Cell also extends multitude of opportunities - full-time, part-time and internships alike - to the alumni batches in an attempt to ease their endeavor of seeking employment opportunities. This campaign is one of the additional measures undertaken by the cell to alleviate the impact of COVID-19 and the consequent economic downturn on the recent graduates.

The placement season witnessed numerous placement opportunities for the batch that graduated in 2020 from several companies including Cushman & Wakefield, McKinsey Client Capabilities Network, BharatPe, Indian Angel Network, Impendi Analytics and Cvent. Furthermore, I Squared Capital extended an internship opportunity to the batch.

RECRUITMENT AT SSCBS

Career Development Centre (CDC), the Placement Cell of SSCBS, serves as an interface between the students and the recruiters offering a host of services in the areas of placements, internships and live projects.

CDC conducts the year long placement and internship season in accordance with a policy that evolves each year based on past experiences, in order to make the placement and internship processes smooth and efficient for both recruiters and the students.

To best serve the objective of CDC, i.e., the goal of overall 'Career Development', we offer students and recruiters various avenues to interact with each other. We help students to explore career options through personal counseling and support, alumni mentoring, assistance in resume building, and placement season preparation.

RECRUITMENT CALENDAR

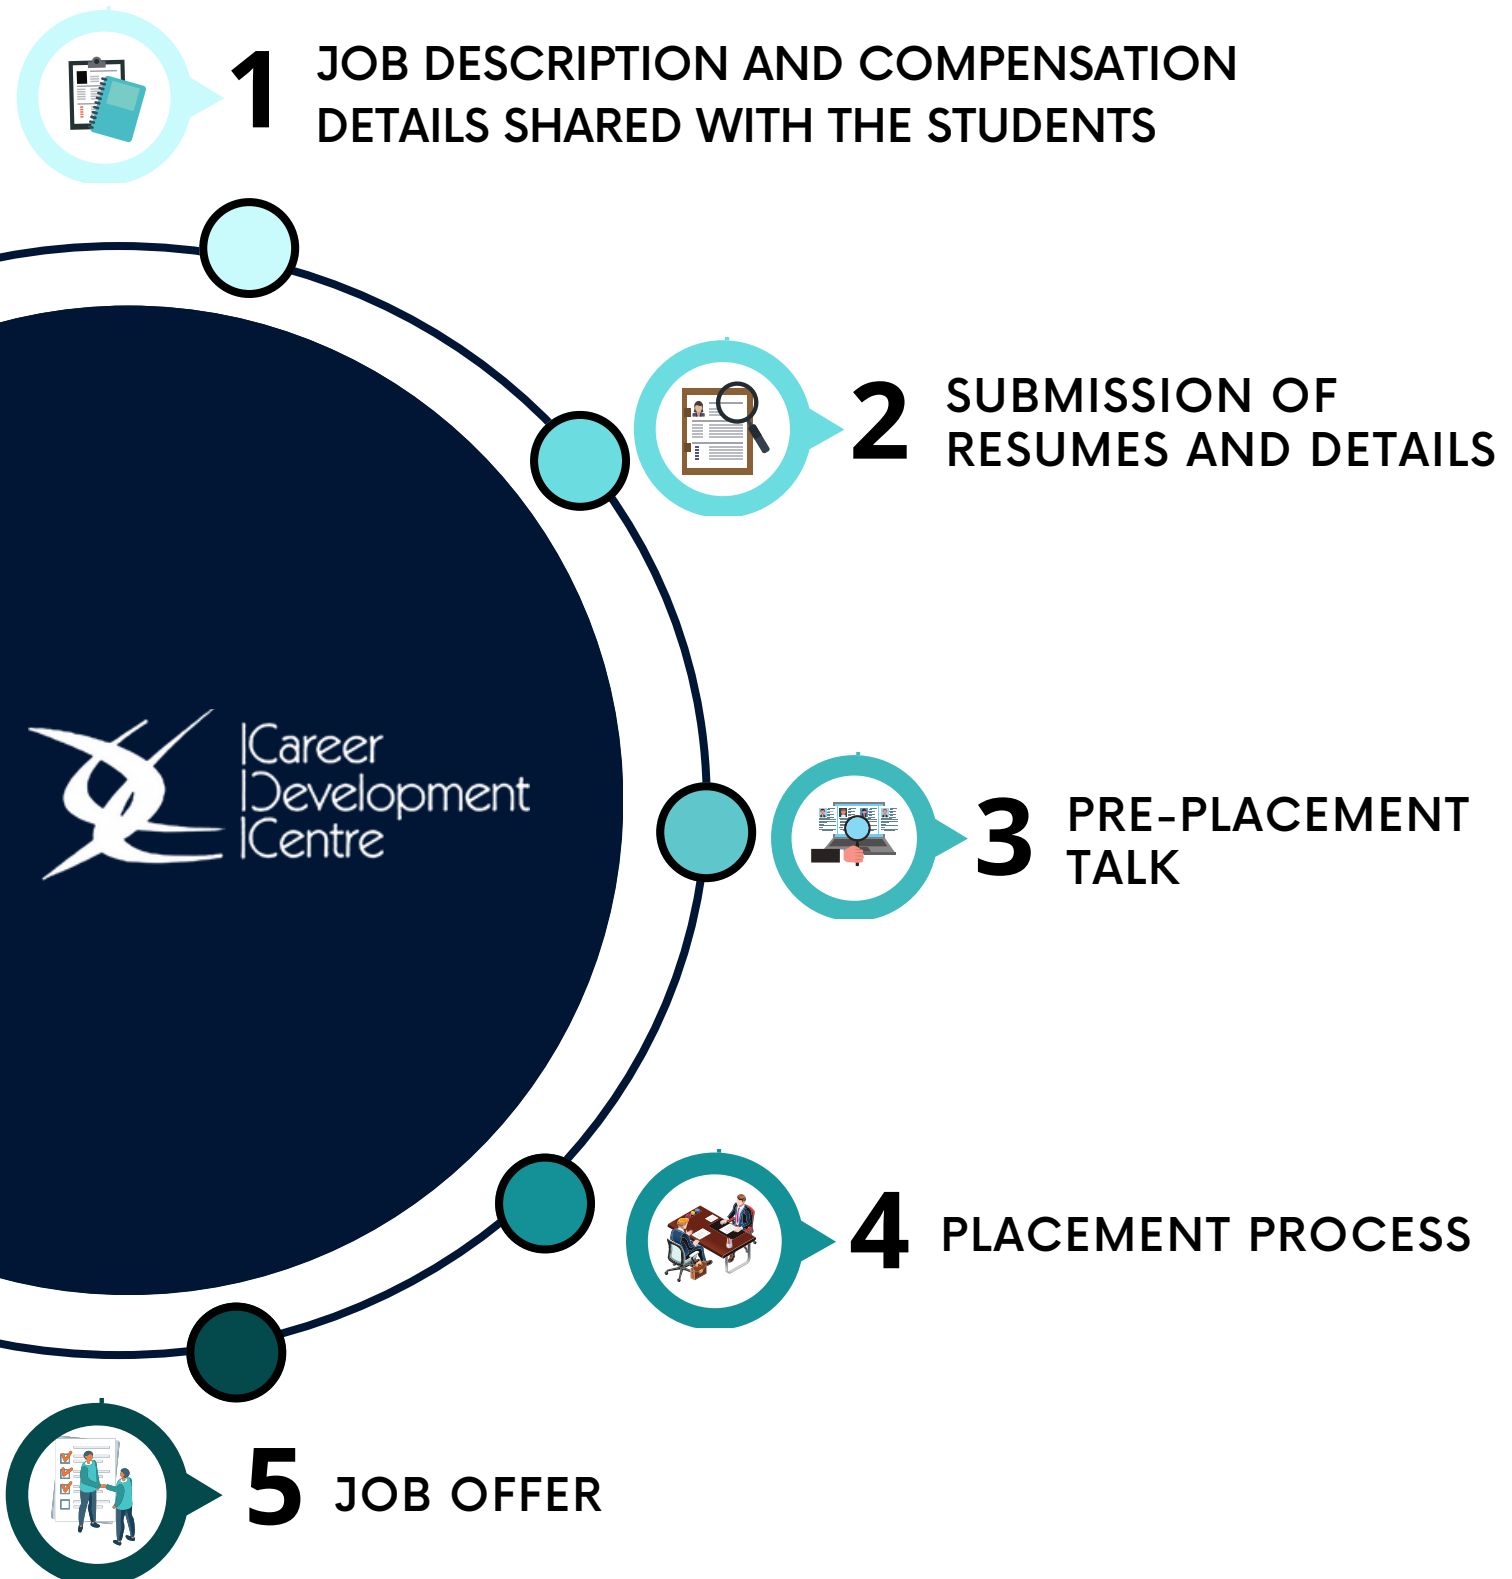

The placement season at SSCBS goes on throughout the academic year. It is, however, divided into two phases:

Phase I: September to December

Phase II: January to June

The college is closed for University Examinations and vacations from May to mid-August. However, off-campus processes may be conducted during these times, the details of which can be worked out with placement coordinators.

RECRUITMENT PROCESS

CORPORATES SPEAK

We are immensely happy to have been associated with CBS for a decade in recruiting crème-de-la-crème talent for the BCN. The team's consistent support for a seamless recruitment process is greatly appreciated, and we wish them all the best in creating the finest talent for the global industry. Our continued exchange of synergies for the upcoming years remains our top priority.

McKinsey & Company

Our experience was very good. Most of the students had strong fundamentals and very good business awareness. We hope to continue our association with CBS in times to come.

We have interacted extensively with the students, during the interviews and have a high opinion of them. They were knowledgeable about the firm and the role and their demeanor was commendable. We believe this has a lot to do with the stringent admission process along with the faculty and the senior students passing on their experience with the new batches.

CBS has a highly professional atmosphere with emphasis on continuous learning and professional skill development. The students have good technical skills as well as critical teamwork, communication and leadership skills necessary to succeed in a multinational firm. UBS values the professionalism shown by CDC student body during the recruitment process and applauds the entire program.
